[CoKoCon](#) is your general science fiction/fantasy convention in the Phoenix, AZ metro area with a focus on authors! Here's your update for Thursday, March 24.

CONVERSATIONS IN CONSUITE THIS SUNDAY IN DISCORD

As we build a virtual CoKoCon 2021, we're evaluating different online platforms and this Sunday's Conversations in ConSuite will be held in Discord, so that we can get a feel for what we can do and what we can't do there.

As always, everyone is welcome to join us at any point between 2.00pm and 6.00pm for good company and good conversation, but you'll need to visit the CoKoCon server in Discord to do so.

Sunday, March 28, from **2pm to 6pm**, Arizona time (MST not MDT).

If you've previously installed Discord, then just run it and search for CoKoCon in the "Find or start a conversation" box at the top left.

If you haven't, then there are two ways to get to that point:

1. The recommended approach is to [download the Discord client](#) and install it. There are versions for Windows, Mac, Linux, Android and iOS, so whatever device you're using, you should be covered. Once you're in, just search for CoKoCon as above.
2. A quicker but less functional approach would be to [visit this link](#) in your browser and create an account. When you login, you should see the CoKoCon server right away.

Whichever way you go, once you're on CoKoCon's server, you should see a list of rooms. We'll be in Con Suite Video, so click on that to join us. You won't need a passcode.

If anyone wants to test early, ahead of the 2.00pm start, someone will be in there from 12.00pm.

THE NAMELESS ZINE AND CASFS BOOK SOCIAL

Don't forget that we're maintaining a calendar of all CoKoCon events, as well as others from our sponsoring bodies, CASFS and WesternSFA.

The WesternSFA's monthly e-zine, The Nameless Zine, published its March issue on Monday, March 15, which included a whole slew of sf/f book reviews, plus new entries in the John Scalzi trivia contest. All are at thenamelesszine.org.

CASFS's monthly book social has happened for March, so the next one will be held on Tuesday, April 20. We'll be discussing *The Automatic Detective* by A. Lee Martinez, a hardboiled science fiction detective novel, on Zoom and chatting generally about life, the universe and everything.

Our full calendar is on the CoKoCon website at cokocon.org/calendar.html.
